CAROL

Carol

Efficiently Organized

Carol draws inspiration from the Mobius strip, transforming its concept of endless innovation into smooth curves and gracefully turning armrests. The design merges timeless elegance with functional fluidity.

In spaces designed for focus and creative flow, comfort is effortless.

Fully wrapped in leather, the armrests invite a gentle, skin-friendly touch.

The dual-layer cushion combines a soft, contouring top with firm, supportive base.

Carol's soft light gray hue and gently arched legs shape a corner of the office into a space that feels both relaxed and refined, where conversation unfolds with ease.
