Agile Like A Dolphin, Higher Work Output.

Smooth Like A Dolphin, No Excessive Connection

S-shaped backrest fits perfectly to the spine curve. The armrest and backframe are one-piece moulded without use of any adhesion and connectors, making the line elegant and structure more stable. The overall beauty ascends in a significant way.

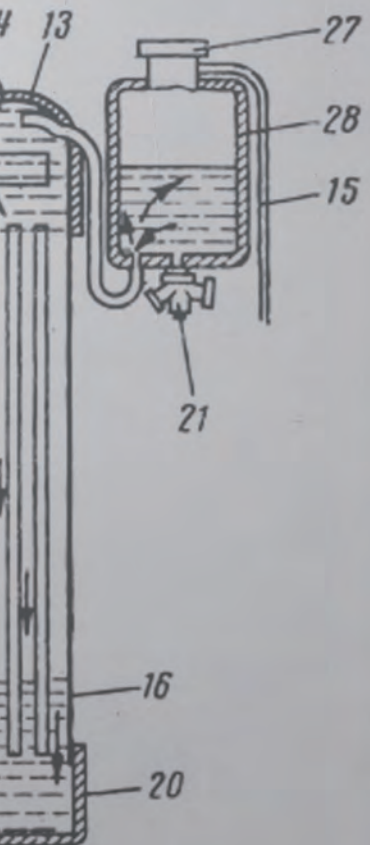

Elegant as A Dolphin

Chanel Element Lumbar Support

The lumbar support is 92mm at its widest and 55mm at its narrowest. In addition to the strong support it offers, it is designed with trapezoidal grids inspired by the Chanel stitches, making spaces more stylish. Elastic fabric of various colors matches with leather, metal and other elements to show off your unique corporate ID.

Easy Assembling and Disassembling

Modular design allows easy and simple assembling and disassembling within 5 minutes. The relocation of departments or the enterprises will be much easier with Dolphin chairs.
