E-HALF 5

Sunón

Executive Table

High level manager table

The 2200mm-long desktop coupled with 2400mm-long side table fully exude honorable personality. Designers skillfully lay out the ratio of cabinet by streak and color which highlights the elegant and concise quality of executive table and unwittingly unlocks' good taste.

Triangular table leg is both stable and lightweight, and the aluminum alloy material fully interprets its simplicity and legerity.

Movable side-desk

Wiring box

Panel under desk

Middle level Manager Desk

Triangular leg matching with the movable side cabinet; Two different dimension could satisfy the requirement for different people.

Staff Table

Linear shape workstation

Sharing the public passage with the good wire management it is the highest utility rate of space for workstation. The nature Red Apple wooden grain provides a natural and comfortable feeling.

Triangular leg and suspending desktop, make the office much more harmonious. Mobile pedestal and fixed pedestal is for choice. The optional movable thin screen is used for the person sitting next to, not only making sure the privacy, but also distinguishing the group.

Movable screen

The strong screen system is another feature for E-half /new, with the universal height of screen from the market, easily assembling and abundant choice for material for users.

2

3

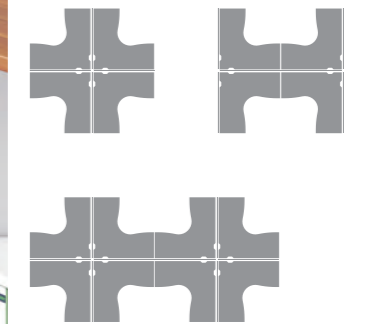

4

- 1. Thin screen in melamine
- 2. Screen with aluminum alloy frame
- 3. Thin Screen in acrylic
- 4. Thin screen with fabric finish

shape workstation

For the staff to be independent thinking more. Fabric screen with multi- functional hanging on top in aluminum alloy frame combination with the thin screen, it not only could satisfy the requirement for users, but also much more energetic than the traditional workstation.

┌ shape workstation

Not only it could satisfy the staff independent working, but also easier communication for person sitting back to back.

Wire channel

Flip cover wire system

The new wire management is another lightspot for E-half NEW. The linear wire box and wire channel, enlarge the wire volume and make line configuration and repair much more easily.

Meeting Table

E-half NEW Meeting Table with special support system, could extend the meeting table without limit; The leg in middle of the table is well put inside under the table, will be much safer for the users.

Snake tube

Wiring box

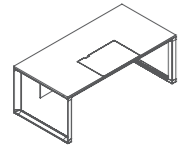

Meeting table

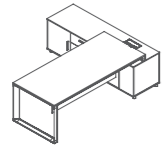

Single sliding door, not only it is much more easier to use, but also enriches the space of the cabinet, making the office full of energy
