MORSENT

# MORSENT

## *Endless Distinction In One Dot*

The monotony everyday life always needs something special to break the routine. Morsent integrates "a dot" into its rounded, comfortable backrest - a thoughtful touch to aesthetic details, and a distinctive embellishment.

### Curved Backrest – A Little Wider

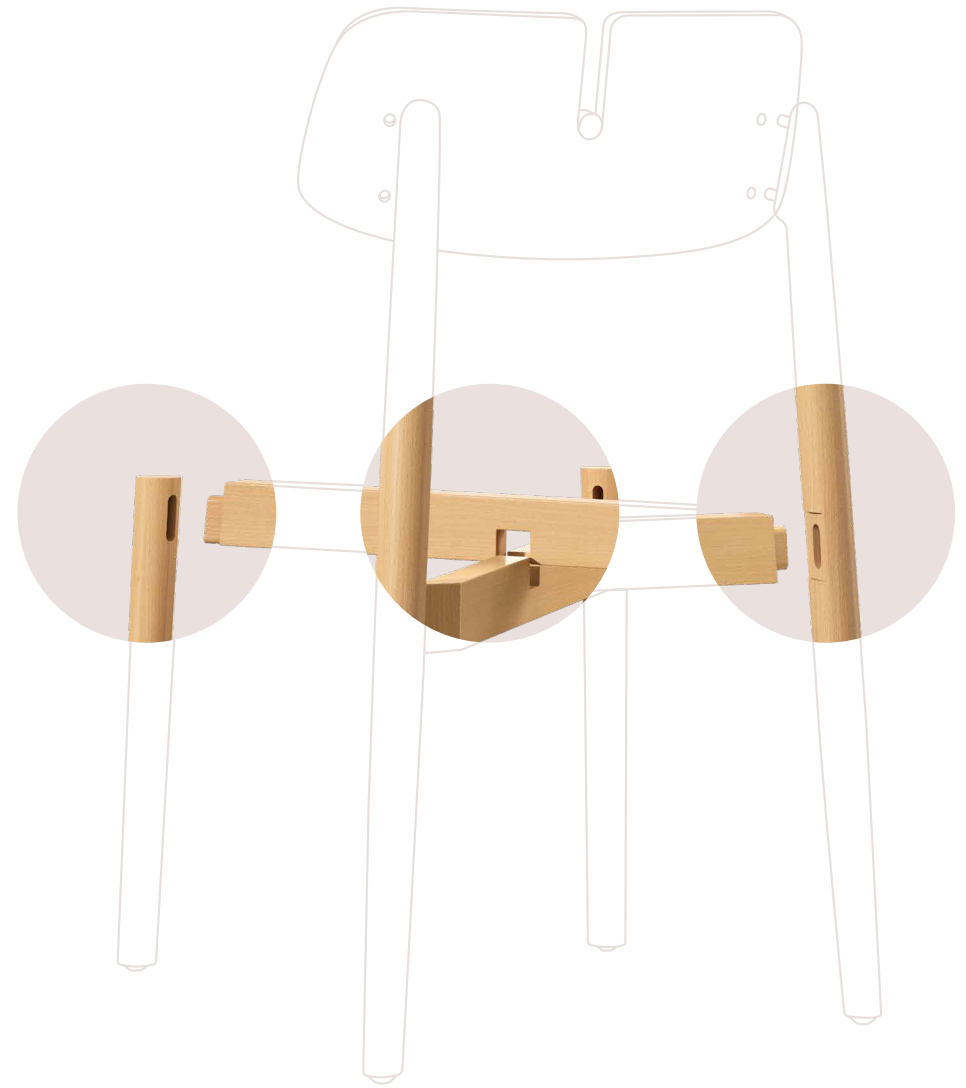

The 470mm curved backrest follows the natural curve of the spine, providing full support, while soft padding ensures lasting comfort. Fatigue melts away, letting conversations flow effortlessly.

### Cushion – A Little Softer

A 20mm high-resilience foam seat offers a slim, supportive feel. An optional upholstered backrest enhances comfort for casual meetings. The EPU eco-leather, available in seven refined tones, is smooth, durable, and resistant to water and stains.

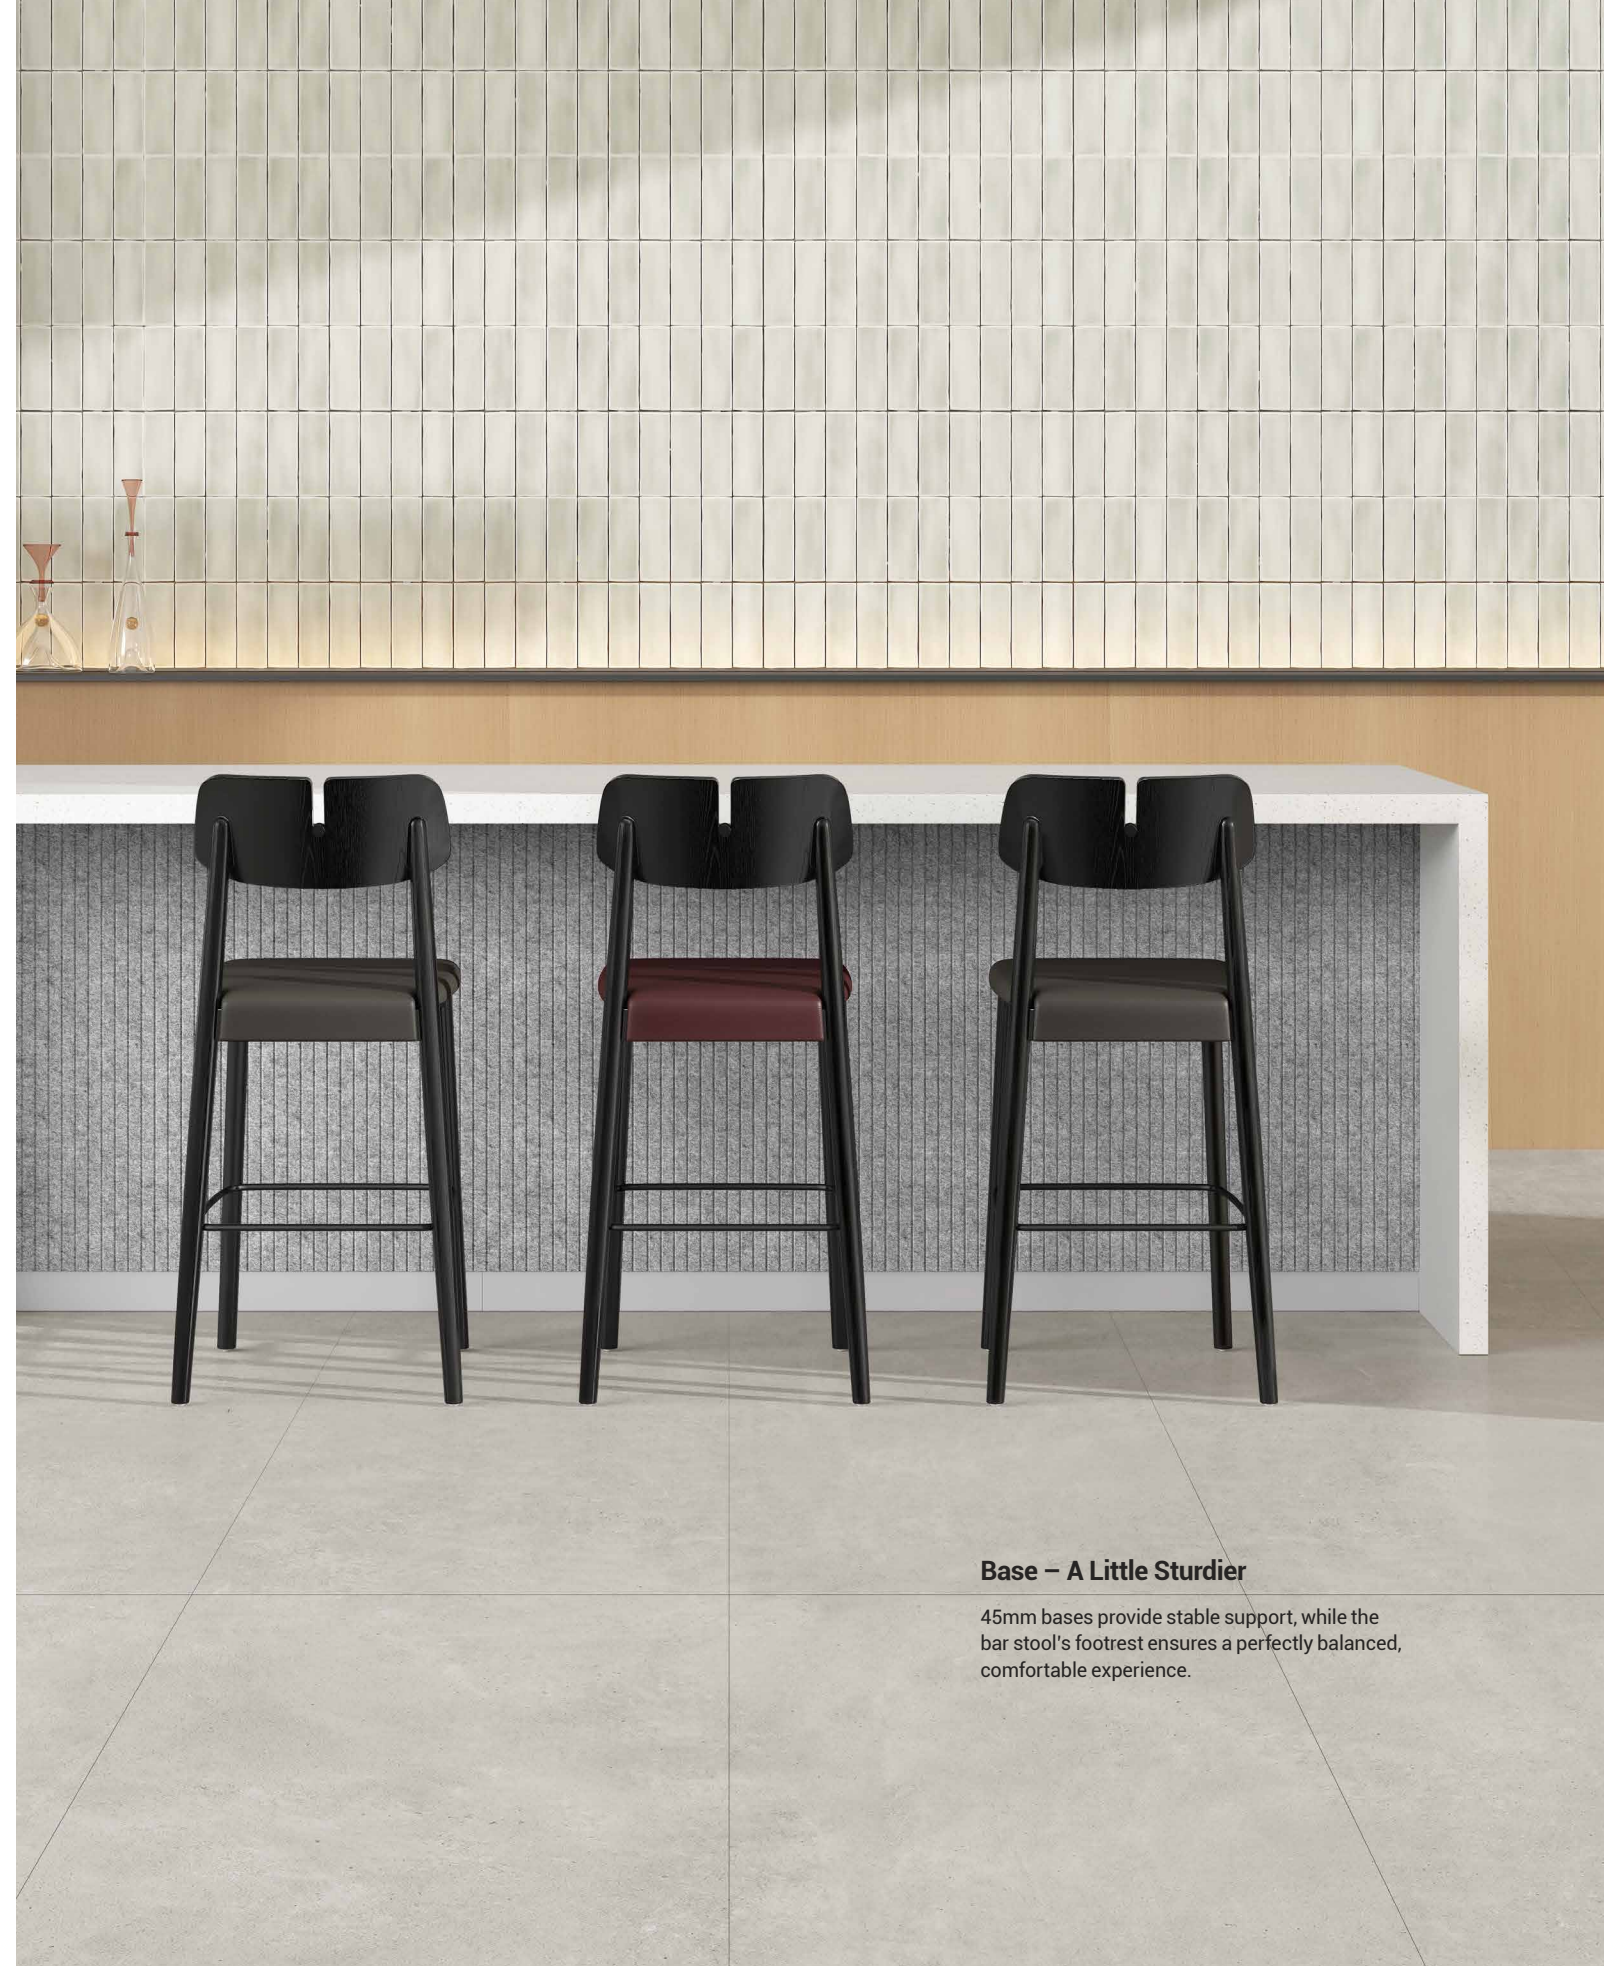

### Frame – A Little Sturdier

Crafted with mortise and tenon joints, the frame is solid and reliable, built to endure daily life and stand the test of time.

**Backrest – A Little Tilted**

The 102° backrest angle naturally supports a relaxed posture for conversation and collaboration.

**Base – A Little Sturdier**

45mm bases provide stable support, while the bar stool's footrest ensures a perfectly balanced, comfortable experience.
