STATUS

TIMES series fully absorbs the design elements of first-class architectures in the world, refines and deeply exploits their design concepts and integrates them with furniture design.

“STATUS Temperament”of Storage

In STATUS the storage space of one executive desk must also be full of sense of modern times and creativity. The creative design of combining drawer with small cabinet makes storage freer and more convenient and makes working more orderly and high-efficient.

Drawing table top, wiring channel

Wiring of table top

Storage function of side cabinet

The filing cabinet of STAUS fully considers the double functions of display and storage, Open-ended shelf is exhibited with books, or collected with red wine, or displayed one beloved model of racing car. All private articles can be separately hidden at the storage cabinet at both upper and lower end.

Storage cabinet with automatic door can be opened and closed easily.

LED lamp adds display effect and practicability.(high configuration)

Hatchback design door easily store and take out

In order to cater to different functions and design of different office spaces, STATUS equips with exclusive low cabinets, Unified style makes STATUS become the most bright and beautiful landscape.

Wire box of conference table

Wiring function of conference table

How to create a both noble and relaxed atmosphere for negotiation. STATUS gives an answer. It inherits inclined plane design and span design of STATUS series. A square desk full of design sense can create a relaxed negotiation atmosphere for us.

STATUS

International Vision High-end Works

It creatively draws on the experience of span design inclined plane design and hanging design of the new Arch of Triumph of Paris forms unique Light mapping effect and symbolic perspective effect and interprets the office space with artistic temperament. The application of new type protein skin and new type nanometer paint and exquisite process bestows TIMES with unique noble quality and laudable tolerant spirit.
