STEELLITE

Affordable Personal Storage Specialist

Pragmatic design
Steel material
Pure black/white
A perfect match for all

1

Small storing box enhances neatness

The first layer of drawer is equipped with a small storing box for placing small items.

2

Lock or unlock? It's your choice.

The front casters of the drawer cabinet can be fixed during use and adjusted to free movement when needed.

Five Casters Enable Agile Work

Unibody-bended and configured with five swivel casters, the cabinet is both stable and agile. 3-section sliding rail ensures safe operation. Once one drawer is pulled out, the others will be locked.

Unibody 3-Layer Fixed Cabinet

Handle-free design and unibody bending bring a minimalist aesthetics. Fixed with desk, it works instantly with existing furniture. Besides, the bottom drawer is equipped with dividers to better sort out documents.

10mm narrow edge

We introduced Italian Salvagnini panel benders to lift the integral bending effect, striking a perfect balance between aesthetics and stability.

Adjustable shelf panel

Great capacity

The superior load-bearing capacity of the shelf panel makes sure it will not bend or creak even when stuffed with documents. Also, the distance between each two shelf panels can be adjusted. 125° rotation range of door allows you to store and take goods easily.

Human-oriented interior layout

The shelf panel makes a division between shoes and clothes. And the mirror makes sure you always look presentable.

Six-door wardrobe

Configured with clothes rail (the vertical height of clothes rail is 825mm), the wardrobe can accommodate piles of clothes effortlessly. And airing holes are designed to promote ventilation and prevent moisture. The dented area on the surface is designed for name cards to fit in.

Zero handle

One-piece bending

Level-two load-bearing

Three types of storage

Quadruple protection

Five casters
